Please do not bring latex paint. Latex is not flammable and when completely dried up, can be safely disposed of in your trash. So remove lid and allow to dry. As long as it is dry and hard, the trash hauler will accept the paint in cans in your trash. **Oil based paints and stains will never dry out, those are flammable and hazardous and must be brought to the HHW collection event.**

Registration is no longer required, however proof of residency will be necessary at the site.

Vehicles will be taken in turn, beginning at 9am. 50 Gallons of material maximum per vehicle and 5 Gallons of gasoline per vehicle.

To transport your materials safely: Leave materials in original containers. Do not mix chemicals. Use sturdy boxes, not bags, to pack you materials. Do not smoke near the materials.

Contractor reserves the right to reject unacceptable material.
